## **FOREIGN LANGUAGE**

### ***French***

- French/English Dictionary

### ***Spanish***

- Spanish/English Dictionary

**All 6th-grade** students will need the TI-30XA scientific calculator which is approximately \$10. Please label the back of the calculator with students name with a Sharpie or engrave. Mrs. Knapp has an engraving tool. Please keep the calculator in the 3-hole zipper pouch that students will use for math.

**All 7th/8th graders** will need the **TI-84 Plus CE**. No batteries needed. They are charged with a mini USB cord. They are approximately \$140 but will have much lower prices during back to school sales. Please label the back of the calculator with students name with a Sharpie or engrave. Mrs. Knapp has an engraving tool. Also, please label the USB cord with students name, using tape or label maker) and keep the cord in the 3-hole zipper pouch that students will use for math.
